

At the kick-off on October 1st MTN's Medical Director, Karen Edison, MD, gave a brief introduction for Telehealth Month.

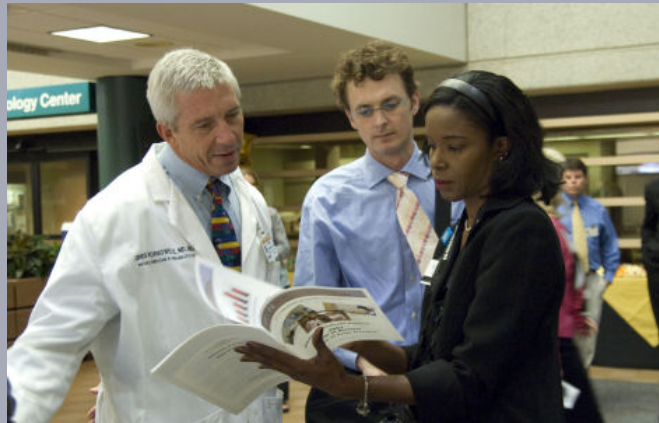

University of Missouri Health Care's CEO, Jim Ross, spoke about the importance of telehealth at UMHC.

Greg Worsowicz, MD, MBA, Chairman and Associate Professor of Physical Medicine and Rehabilitation spoke about how telehealth is used to reduce the transportation of patients from Rusk Rehabilitation and UMHC.

Dr. Worsowicz, Dr. Clay Hoberman and MTN's Assistant Director, Pam Kelly discuss MTN's Annual Report.

The cake to celebrate the month!

Those attending the kick-off celebration received a demonstration of the telehealth equipment as well as information regarding MTN.

Parvin Behrouzi from Orthopaedic Surgery stopped by to enjoy the festivities.

MTN Staff (from left to right): Deb Denham, Shanda Cash, Rachel Mutrux, Aaron Woolridge, Mary Beth Schneider, Mirna Becevic and Pam Kelly.
